Marcopolo Plants

Loropetalum chinensis Red Pearl

Loropetalum chinensis Red Pearl

Common name: Fringe Flower, Chinese Witch Hazel, Loropetalum

Height: 1-1,5M

Soil: well drained soil (moist). Full sun.

Flowering: bright purplish flowers.

Hardiness: [hardiness rating 3.](#)

Loropetalum is an evergreen shrub. Next to its dark purple leaves, The "Red Pearl" variety tends to have a deep dark purple to black bottom leaf surface. Loropetalum bears clusters of bright purple to pink Hamamelis-like flowers. An absolute eye-catcher!

Native to Japan and China.
